

Australian Business & People's Alliance Council Inc.

## THE **abpac** MISSION STATEMENT

ABPAC is a Non-Political, Non-Profit Association that works for the benefit of its Members and Australian Businesses and Australian People.

The purpose of ABPAC is to represent the interests of Australian Businesses and Australian People with the intent of maintaining practical and ethical standards in business and lifestyle.

This purpose includes the preservation of the rights and entitlements of business entities and the individual.

The Association Infrastructure shall be capable of responding to requests by its membership to address needs relating to its purpose even when such needs relate to the greater community which will then reflect the needs of individuals.

It shall be capable of communicating, liaising and working with all levels of government, the public service, private enterprise and individuals.

The Association shall support or initiate any action it may deem necessary to ensure that the well-being of the lifestyle of the Community is enhanced and not compromised.

As a Non-Profit Association, ABPAC will donate to a charity or an organisation or an individual in genuine need, as determined by ABPAC, any surplus or profits accumulated resulting from its operations.
